SPECIFIC TO LOCAL HEALTH DEPARTMENTS: A communication will come directly from the Bureau of Grants and Purchasing.

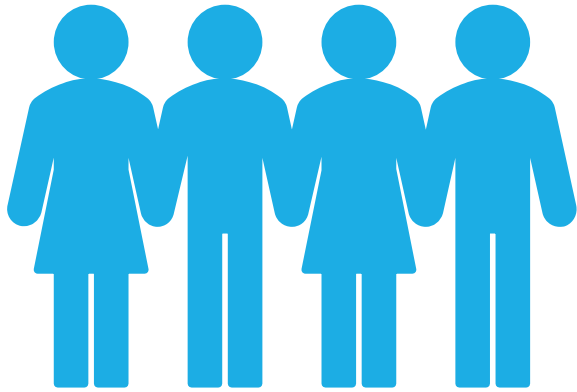

HRA Program Updates - LHDs

HRA Program Updates

Continuation of the HRA program with consideration of allocating additional funding.

WHAT DOES THAT MEAN?

HRA Training Opportunities

- Trainings for Health Resource Advocates (HRA) would be beneficial to school communities.
- Trainings are a significant need based on Health Resource Advocate Feedback
- HRAs will be able to complete trainings that coincide with reducing the risk of COVID-19.
- Improved preparedness to respond to exacerbating effects of COVID-19.

Requirements upon approval of additional funding

SPECIFIC TO LHDs: Allocation of additional funding will require Local Health Departments to resubmit in EGrAMS during the amendment period in October 2023

SPECIFIC TO ISDs/SCHOOLS: Intermediate School Districts and Schools will not have to resubmit, an amendment will take place in October 2023

Funds will be available January 2024
